In which UN MDG best
fit (if apply) : ?:

Who is benefited ?:

Objective : JCI Moriguchi Kadoma continue raising awareness of reduces traffic accidents.

We continue to develop the awareness of traffic safety of the participants. Participants attached to the school bag of the "bell of love".

"Bell of love" will sound in the region.

People, listen to the sound of the bell in the region.

And JCI Moriguchi Kadoma will continue raising awareness of road safety in the region.

Overview : 1. We visited the elementary school entrance ceremony of Moriguchi. We also visited the time of the class of elementary school in Kadoma.
2. We developed awareness of traffic safety in the elementary school freshman.

We were using a picture-story show for freshman elementary school for easy to understand.

3. We have distributed to elementary school freshman a "bell of love". It is filled with traffic safety in the "bell of love".

4. Elementary school freshman were all attached to the school bag
5. "bell of love".

6. "Bell of love" resounds. Awareness of road safety in the region continues to grow.

Consciousness of the people of the region will continue to change.

Results : 1. Elementary school freshman hear seriously.

Because we use the picture-story show.

2. Elementary school freshman of all were attached "bell of love"

3. to the school bag. 4. The sound of a bell is ringing in our region.

Because Elementary first grade continue to attach the "bell of love".

5. The bell rings of love each time, we can change awareness of traffic safety.

6. We have continued this project. "The bell of love" continue atached not only freshman elementary school. And continues ringing with the "bell of love" even when freshman went up grade the elementary school in our region.

This project has been carried out to continue in \40.

Raise awareness of traffic safety JCI Moriguchi Kadoma members has continued. Elementary first grade remember the "bell of love" even when it became a young man.

Movement of JCI Moriguchi Kadoma has become famous in the community.

Recommendations : Elementary school freshman rejoice very much when get a "bell of love".
And almost all of elementary school freshman attached "bell of love"
in the school bags.

As a result, we can sound the bell resounds in the region.

However, sometimes children feel only bell.

It can not be said that to continue the awareness of traffic safety.

It is necessary to continue the awareness of when the children were given
a "\"bell of love". Remedy will continue to raise awareness of traffic safety.

Also to the age group of elementary school and later.

We should be necessary to follow continuously.

1
