Basic Information

Duration : November 10 2013

Staff : 40 memb

Sponsors : The board of education

Budget : \$ 2,700

Profit / Loss : None

In which UN MDG best
fit (if apply): ?:

Who is benefited?: Elementary school of the activities area of JCI Yoshinogawa

Objective : Leadership training for children

We ,JCI Yoshinogawa, did following program for students of Elementary school of our region. We have aims three

JCI Yoshinogawa is to teach children leadership

Children who became the leader of the region, change the region

This program developed new leaders who bring positive changes to local economic

Overview : Twenty years ago

There was a place to teach leadership to children. Where, JCI Yoshinogawa was tell us about leadership
Now, it is not used. This is because of the change in the community

JCI Yoshinogawa has decided to teach about leadership to the children in this place again

Half a year JCI Yoshinogawa was cleaning the forest with the children

IN COOPERATION WITH FELLOW

JCI Yoshinogawa and children continued for half a year that chop wood and carry a tree
. Woods, revived

I went to seminars in the forest that For moral education and leadership

After the seminars Eight teams of eight-member

The Team will practice the leadership and moral education

Can not be absolutely clear If you do not have Leadership and moral education

Eight teams of eight-member ALL clear

After JCI yoshinogawa Program JCI Yoshinogawa is cleaning forest with child

But JCI Yoshinogawa is Just watch Children to avoid injury

Results : Could be achieved about We will train the children with leadership

The Team will practice the leadership and moral education

Can not be absolutely clear If you do not have Leadership and moral education

Eight teams of eight-member ALL clear

Could not be achieved about I want to develop human resources to join the future JCI Yoshinogawa

We was crazy to teach children about leadership and moral education
That we talk about JCI Yoshinogawa, there was no
Would otherwise

It is necessary to tell What we do is an organization and Any activities

Actions Taken : I have every Sunday the cleaning work with children

May 10 to November 3

June 30, 2013 1 st meeting of the committee establishment

July 25, 2013 2 st meeting of the committee establishment

August 17, 2013 3 st meeting of the committee establishment

September 1, 2013 Poster distribution

September 2, 2013 Join since elementary school

I went everyday meeting of the committee establishment

November 10 ,2013Project implementation

Recommendations : Could be achieved about We will train the children with leadership

The Team will practice the leadership and moral education

Can not be absolutely clear If you do not have Leadership and moral education

Eight teams of eight-member ALL clear

Could not be achieved about I want to develop human resources to join the future JCI Yoshinogawa
We was crazy to teach children about leadership and moral education

1

Award Category criteria

We ,JCI Yoshinogawa, did following program for students of Elementary school of our region. We have aims three

JCI Yoshinogawa is to teach children leadership

Children who became the leader of the region, change the region

This program developed new leaders who bring positive changes to local economic

CI Yoshinogawa acted to realize JCI Vision based on JCI Mission

Participant members had very good chance to think about meaning of JCI Yoshinogawa, mission of JCI Yoshinogawa and CSR.

It follows the Action Plan that is \\\\"To produce better management and to start to act for sustainable solution\\"

Also it matches the statement that \\\\"We have ability to remind young people about their each social responsibility and to inspire them to act positively\\"

We produced a chance that students who participated the program can understand that they are also a member of local community

Total budget \$ 2,700

BREAKDOWN OF BUDGET

Project cost \$ 1,400

PARTICIPATION SOUVENIR\$ 1,000

Accident insurance\$ 1,00

REMUNERATION TO THE INSTRUCTOR\$ 2,00

Was performed two ways to reduce the budget

We need a cost of \$ 1,000 if you were asked to skilled poster production
It was free because it was asked to create a JCI Yoshinogawa member

We need a cost of \$ 1,000 to hire a bus to and from the children
It was free because it was asked to and from the parents of children

Promotion of JCI Mission

We teached them about Leadership

We provided an opportunity to demonstrate leadership on an ongoing basis

We provided a opportunity to create positive change on them

We made a opportunity for their growth

Promotion of JCI Vision

We teached Elementary school students about Leadership

Elementary school students knows Leadership
We created a network between Elementary school students and JCI Yoshinogawa

Place to learn about leadership
JCI Senior has made
We are calling SYOUNEN NO MORI

Because it was not used many years
SYOUNEN NO MORI is full of garbage

Attendees will learn leadership

The children were practicing leadership

2

Award Category criteria

3

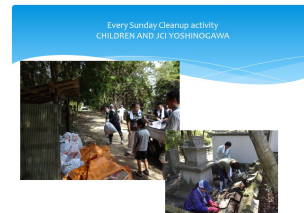

WE HAVE CONDUCTED A SURVEY TO PARTICIPANTS THAT MORALITY AND LEADERSHIP

Do you want to become a leader? I answered everyone want to be a leader

Do you do the cleaning of the forest from next week? Want to participate
Participants were aware of the importance of leadership

We conducted our program to train future leaders

By continuing the operations
IMPORTANT IT IS TO COOPERATE WITH THEIR PEERS
City, full of people with moral fiber

4

Award Category criteria

WE GOT SOMETHING LIKE THE FOLLOWING
BY TEACHING ABOUT LEADERSHIP TO
CHILDREN

By teaching leadership to children WITHOUT
LEADERSHIP, IT WAS LEARNED THAT IT IS
NOT POSSIBLE TO CHANGE THE AREA

By teaching leadership to children
It was able to communicate the presence of JCI
Yoshinogawa

THE IMPLEMENTATION OF LEADERSHIP
TRAINING Children do not moral education and
leadership

It is allowed to experience this Program Children, has
changed

We have given Growth of children and Development
of children

We provided a opportunity to create positive change
on them

We made a opportunity for their growth

Promotion of JCI Vision

We taught Elementary school students about
Leadership

Elementary school students knows Leadership
We created a network between Elementary school
students and JCI Yoshinogawa

People with leadership in the area
increases

I have experienced a child's play of the past

5

Award Category criteria

WE CONDUCTED THE FIRST ROUND OF THE
10-YEAR PLAN

Twenty years ago I revived the forest that we have
made

You are together to clean now with the children
HOWEVER, WE\RE JUST SUPERVISE
CHILDREN TO AVOID INJUR
Y

When the children were in the same year as we

They greet the new children
As a member of the JCI Yoshinogawa Through this
cycle JCI can increase the member
The community We can provide positive change
Could not be achieved about I want to develop human
resources to join the future JCI Yoshinogawa

We was crazy to teach children about leadership and
moral education

That we talk about JCI Yoshinogawa, there was no

Would otherwise It is necessary to tell What we do is
an organization and Any activities

The improvement measures, there is only one

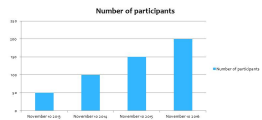

We need to continue the program

We have continued to clean the forest with the children

Every week, and that they spend with the children
It is possible to teach children our existence

Activities of daily I always change the result

Every year, Participants will increase
Participants will learn leadership
People with leadership in the area will increase

Children and JCI Yoshinogawa member are learning about leadership

Children and JCI Yoshinogawa member are cutting wood
We practice What you have learned in the morning

Yochidōren and JCI Yoshinogawa
Children and JCI Yoshinogawa learned leadership
Participants will positive change November to 2015
