## 結果：

He held following activities with JCI Sapporo members. By hosting the JCI Academy, urged the positive change of JCI Sapporo members. To provide different cultures and regions to Sapporo citizens through international exchange, create opportunity to understand the different values. For JCI Sapporo members to learn JC movement and how should be of JAYCEE strive to nurture younger. By JCI Sapporo members to become qualities as a leader contribute to the development of local communities. By increasing the interest of the citizen for the local community, to promote the proactive participation of the community of citizens. President Hayashi who as a leader of the hosting chapter of JCI Academy to provide a forum for training and opportunities to interact with JCI, he was led to the Sapporo to be leader of top global networker. Result of action that he has initiative local chapter members has been create positive change that 37 JCI Sapporo members have now working in organization committee in National level and 1 member is in JCI level. By providing opportunities for international exchange to the public, President Hayashi got the following results. By performing very actively providing the opportunity of international exchange activities to the public, President Hayashi got the following results. The creation a chance to participate in the 307 volunteer interpreters. As a result, He was offered the opportunity to interact with people from JCI National President against best of cross-cultural understanding to Sapporo citizens. Home stay program participants from 65 countries that citizens were training cross-cultural communication. As a result, He was offered the opportunity to Sapporo citizens become True Active Citizen essential to permanent world peace implementation. Learn about MDGs and provided the opportunity to discuss to 561 elementary and junior high school students who living in Sapporo. He was a successful positive action for Membership Development of Local Chapter. The deep understanding of the JC Regular Monthly meeting, He invited JCI Senator who positive action and JCI JAPAN senior members to Sapporo. Held the seminar of JCI Past President Kentaro Harada and Dr. Shuichiro Sato. Who are familiar with the JCI Academy and JCI Award. As a result, He succeeded in that members of JCI Sapporo to learn how should be objective and meaning of JC movement, and to be JAYCEE. Participation rate of the Local Member has been improved. By leading the member aggressively expanding, he won the 33 new members. President Hayashi appealed energetically Noting But Nets campaign. As a result, JCI Sapporo had established 18 units of vending machines and was US\$ 722 donation. This is the number of installed vending machines maximum local chapter with our district. He has made a great contribution to that Hokkaido District has achieved a biggest number of installed in a different district. President Hayashi solicited the application of activity funds to an NPO of Sapporo from the fund of JCI Sapporo. As a result, have cognitive activities of JCI Sapporo to 82 organizations, was the opportunity to interact with an NPO. By performing the assistance of \$ 54,348 to six NPO, have succeeded in support of action and creation of active citizen.

## 考察や推奨

To make JCI Sapporo members create positive change, also Sapporo citizens interact directly with the foreigner to understand the different culture is very important. JCI Sapporo holding JCI Academy was able to interact with 2013 National President of each JCI national organization was a great experience. Played the international exchange with citizens including many elementary and junior high school students. But it could not be said enough number as a population ratio of Sapporo. We necessary to continue activities develop global talent to Sapporo citizens more in the future. 45% of JCI Sapporo members admission are less than three years. They had created positive change with President Hayashi as strong leadership and that we have invited lecture from Mr. Kentaro Harada and Dr. the Shuichiro Sato was the offer the great opportunity for members to positive change. Campaign of Noting But Nets must appeal to members to continue the ongoing activity is required. For NPO organization that made the aid, we do not simply to support will get a report on activities with Sapporo citizen and JCI members in some activities next year

Results of the questionnaire of junior high school students who interact with Delegates  
98% of junior high school student who does not know the MSDS are to know and understood the activity.  
81% of them feel a lack of English proficiency, and 60% of wanted to go abroad. We can be said that by this, international direct exchanges will help greatly to raise awareness.

Among the JCI Sapporo members of less than 3 years admission who had seminars, 5 becomes a leader, 27 have been working as staff.  
Also 18 working with JCI Japan, 4 of who are expanding the range of activities as staff.

Vending machines activities of Noting But Nets campaign just began in the year, it is possible to enlarge the support by continue to expand future.

Thereby making it possible to facilitate the activities proactive asked to understand the philosophy of JCI Sapporo with report. Report is scheduled on October 2013.

	<p>By holding JCI Academy load than expected to take place in charge of each committee activities and change of annual plan has occurred.  However, cooperation of each committee will closely by this, I was able to tell abroad the charm of Sapporo.  As result, under the leadership of President Hayashi JCI Sapporo all members have contributed to the international exchange for citizens.</p>
	<p>This year appropriate for the a new start of 61st year of JCI Sapporo history</p> <p>Since World Conference 2000, JCI Sapporo was decided that in charge of international activities</p> <p>Through a variety of JCI Academy, have provided Sapporo citizens and JCI members numerous opportunities.</p> <p>Result, to deepen the mutual understanding is the most important to the realization of permanent world peace.</p>
<p>全部で200字以上</p>	<p>At JCI World Congress in Taipei, President Hayashi was presented the Golden hammer from JCI Japan 2012 National President Naoki Ikawa</p> <p>It is what international group of JCI Japan had been planning specifically,</p> <p>For the one who is evaluated promotes the participation of members of the international Event aimed at development of the international diplomacy exchanged.</p> <p>Be a sign that won the most outstanding point among the Local chapter in Japan</p>

Comment form Hokkaido Governor Ms Harumi Takahashi

Taking advantage of the results to afford working with a passion to all members of JCI Sapporo, please become a leader in the region of an attractive Hokkaido where is highly evaluated by the world.

And I would like to expectations that you would like to contribute greatly to the community development of Sapporo.

Comment form Sapporo Mayor Mr. Fumio Ueda

I would like to express our appreciation deeply for that convey in Charm of Sapporo strongly by invited JCI Academy from 65 countries around the world more than 130 peoples in total including domestic participants to Sapporo. It was preparing to demonstrate generously action imagination and two years from to attract JCI Academy.

Also after the conclusion of the Sapporo government "Sapporo urban development partner agreement" Thank you very much for your cooperation and support activities to such as Blue Earth Fund by NPO to community development activities.

Comments for Host family of JCI Academy delegates Ms. Yuko Miyajima

Cross culture exchange with delegates who become leaders of the future was very exciting. Our friendship has continued even today. I am very appreciate that you have provided us with this opportunity.
