We continue to hold a program created by JCI Toyota for the next generation. By community activities, we let citizens actively engage in nurturing the next generation, and let children acquire the ability to survive in society.

Overview 概要

説明：必ず結果と合致しているはず

JCI toyota will organize the projects that have been done in the past as program showcases and hold them in a form that the citizens themselves can carry out.

Also, on Saturday of school day off, by local companies teaching children with existing three programs as a festa adults can realize that they are the main people of the next generation development and children can acquire the ability to survive in society

### ①Program Showcase

- Tag Rugby Program

To learn autonomy and cooperation through tag rugby which anyone can participate in.

- True Japanese program

By learning the characteristics of the Japanese, we grow patriotism up, refine our inner personality, and have hope for the future.

- Disaster Prevention Program

To recognize preparation against disasters in daily activities and keep awareness of disaster prevention every day.

### ②Learn on Saturday festival

~ Children's dreams created in the region and the future of the town ~

Gave a lecture to learn how adults should grow up the next generation.

In addition to the above three programs,

Involve local companies and local government

- Exercise program for making friends

- Health program by dentist

- Beauty program by beautician

### Result 結果

What is the expected long-term impact of this project?

このプロジェクトの期待される長期的な影響は、なんですか？

※200語まで

・ By this project, the programs created by JCI TOYOTA are actively held by the citizen, and the movement to more citizens spread.

・ It is possible to continue exercise transmission of the same quality by programming the business of JCI Toyota, in the future, and creating a model for dissemination.

What changes Would you make to improve the results of this project?

このプロジェクトの結果を改善するために、どんな改善策がありますか？

※300語まで

In order to conduct the program at more schools, it is necessary to approach each school before the school's business outline is fixed.

For schools that implemented business once, we will propose to hold continuously, and make the scheme that elementary school students who participated last year can rejoin.
